

# NEED A HAND?

*Think of us as your strategic business partner.*

We are pleased to offer solutions for all your storage and moving needs.

**(949) 458-3595**  
**www.UnitsOC.com**

25692 Atlantic Ocean Dr.  
Lake Forest, CA 92630

Here are a few reasons  
your company should use  
**UNIT'S**  
as your storage solution:

- ✓ Our storage UNITS come in 12' and 16' sizes for plenty of extra storage space.
- ✓ We will deliver your storage UNIT to your place of business or job site.
- ✓ Your storage UNIT can be placed where you need it for easy access.
- ✓ You'll provide the lock for your UNIT for added security.
- ✓ You can keep your UNIT as long as you need it.
- ✓ When you're ready to move your UNIT, we can store it for you at our secure facility, or move it to your new location.

.....  
**Each UNIT'S location  
is locally owned  
and operated.**

**No out-of-state call centers!**

Mobile Storage of Orange County

# UNITS

are convenient,  
cost-effective and  
provide you  
with peace of mind.

*And, just like your business,  
our business puts a premium  
on great service.*

## REAL ESTATE

Our 12' or 16' storage UNITS satisfy a wide range of needs for Realtors and their "new listing" clients. Homeowners can store unnecessary clutter, seasonal clothing, unused toys, extra furniture, keepsakes, etc. that could distract a potential buyer. Sellers caught in between homes can store their belongings safely in our secure warehouse, then ship them to their new home whenever they are ready.

*Think of us as your strategic business partner.*

## COMMERCIAL

Whether you are a small business owner in need of extra storage space, a sales rep with too much promotional material and too many samples, or a busy professional in need of storage space for archived files... we offer cost-effective solutions for your storage needs with two convenient size UNITS.

## SCHOOLS

You can never have enough storage space, and storage space in schools is always at a premium. UNITS offers you an affordable, convenient solution for storing excess desks and furniture, text books, lab equipment, maintenance materials, student files, and sports equipment. You can either keep the UNIT on site, or we can store it for you and bring it to you whenever you need it.

## CONSTRUCTION & RENOVATION

Are you a contractor in need of secure job-site storage, or perhaps a renovation specialist needing to store a client's furniture while you conduct repairs? We provide a cost effective solution by offering two convenient size UNITS that are ideal for storing materials and supplies, tools and small equipment on-site, or for relocating a client's belongings during lengthy repairs or renovations.
